

All of us travel many roads in a lifetime. No matter what roads you travel here on earth, you also travel a Spiritual Road which often has many twists, turns, and “WHY’s”. All roads lead somewhere and your travels may take you places you don’t want to be.

Our mission is to inspire others to find and get closer to a loving God through music and praise. Each of us has to find our own route. We grow in the spiritual similar to the way we grow in the physical. We enter as a helpless child. We grow through childhood and adolescence into adulthood, then mature into elders. Perhaps you would find the metamorphosis from caterpillar to cocoon to butterfly to be a better analogy.

We pray to assist this learning process through music, recitations, and personal testimony. We pray each person learns something through their contact with us, . . . something that helps them grow.

Our programs can be designed for up to ninety minutes of music, testimony, and recitations. Each venue has their own requirements. Each function may differ. We can design a program for a church service, small group, outreach, growth, Christian entertainment, for one of the holiday seasons, or another purpose. Simply contact us by e-mail or phone and let us know what you want.

Carolyn Richards loved singing along at the jam sessions her parents held in their home most weekends. They sang country and gospel songs. She won a high school talent contest, and once turned down a major Nashville contract. Carolyn loved the attention that she got while singing country music, but loved even more the feeling she got inside as she was singing gospel songs. Still, her first album was country.

After meeting and marrying Dave Butcher, Carolyn went into the studio to record her second album. The couple promoted the album and released songs to radio. The first failed to make the charts, but the rest hit the top fifty. Carolyn felt great to be listed alongside such names as Merle Haggard, Randy Travis, Dolly Parton, The Oak Ridge Boys, and others. Carolyn also got to meet many stars and opened for some of them.

Carolyn wanted more. She expressed how she felt when she sang gospel songs. Dave said, “Great. I’ve got testimony and you’ve got vocal talent. We both like to help others. We’ll go gospel.” It is a path they have not regretted taking. Turns out it was a calling from God.

Carolyn found while singing in churches around the nation that there is a difference between being saved and being born again. She went to church as a child. She had always believed in God and Jesus, and knew she was saved. As her growth progressed, she discovered many revelations and much enlightenment leading to a spiritual conversion, truly ‘Born Again’.

Carolyn has learned so much in the last few years. She has seen and experienced things like healing and prophecy. She has learned to trust God for all her needs. She has found Peace, Love, and Joy, even when things seem to be going wrong. She wants to help others learn what it’s like to live in God’s kingdom.

Dave Butcher attended church as a child, but became disillusioned in his teen years. He lived the next several years as if there were no God. You would not have liked Dave during this time. He became a liar, a cheat, and even a thief.

It took a spiritual experience to bring Dave back into God’s kingdom. He then turned his life around, eventually becoming a well respected businessman in his community. He managed a family run machine shop for many years and now works for the U.S. Treasury.

Meeting Carolyn Richards, hearing her vocals, and knowing her desire to sing gospel songs, brought Dave into service for the Lord. He and Carolyn designed a unique program that they have presented at gospel sings, in churches, and other venues. They have traveled the nation, from Maryland to Idaho, Montana to Texas, and back, witnessing and learning many things along the way.

Dave gives testimony to the things he has experienced over the years, including the events before and leading up to his spiritual renewal. He also does recitations, most of which he wrote. Four straight years, he was elected “Reciter of the Year” by his peers in the Country Gospel Music Association’s Eastern USA Division. He was elected “International Reciter of the Year” in 2005 and ‘International Lyricist of the Year’ in 2008.

Dave and Carolyn attend church near their home in Belpre, Ohio. They try to live in such a way that people want to know their “secret”. They tell their experiences, praying people learn all about a living, loving God.

Dave knows God’s Grace. He prays each of you can learn to find God’s Peace, Love, and Joy for yourselves. It lets you be in the world, but not of the world. It makes living here on earth very much a fantastic time!
